

Scott Glasgow

Using technology to improve lives at scale.

scott@finmango.org sglasgow.com linkedin.com/in/sglasgow github.com/mangoscott United States & Australia

PROFILE

Founder working where financial health, public health, and technology meet. Built FinMango from an idea into a global nonprofit whose programs have reached more than 10 million people, and co-created with Google Health a COVID-19 dataset used by the WHO, World Bank, IMF, and USAID. Now co-founder and CEO of Fresho, an AI advertising startup. Published researcher, two-time TEDx speaker, and author of one children's book.

EXPERIENCE

JUN 2023 – PRESENT

Fresho — Co-founder & CEO

Cincinnati, Ohio

- Building an AI advertising platform that personalizes and automates campaigns without third-party cookies, on privacy-first infrastructure.
- One of four companies chosen from 400+ applicants for gener8tor's \$100k investment; took the product from concept to beta through the accelerator.

JUL 2016 – PRESENT

FinMango — Founder & Executive Director

Akron, Ohio — global

- Founded and lead a nonprofit building financial health infrastructure for young adults in transition and vulnerable communities. Programs on five continents have reached 10M+ people.
- Co-created the COVID-19 Open Data Project with Google Health, the most comprehensive open COVID-19 dataset available. Used or cited by the WHO, World Bank, IMF, USAID, Verily, and Harvard University researchers.
- Raised \$2.4M+ in cash and in-kind support, and built partnerships with Google Health, the University of Virginia, and foundations.
- Run in-school financial education reaching 8k+ students a year across 35+ high schools.
- Lead a core team of five plus a global volunteer network.

OCT 2021 – MAY 2026

Next Billion Advisors — Strategy Advisor

San Francisco, California

- Advised early-stage founders building for the next billion people coming online, on product management and go-to-market.

AUG 2020 – MAR 2021

Open Data Monitor — Co-founder & Project Manager

Remote

- Led a 20+ person volunteer team building a COVID-19 tracker for K-12 schools, covered by CNN, The New York Times, NBC News, and The Daily Beast.
- Co-authored a top-trending U.S. News & World Report op-ed on school reopening.

AUG 2019 – AUG 2020

Gen Advisory — Sustainable Banking Consultant

Sydney, Australia

- Analysis and strategy for stakeholders including Austrade; the firm's external spokesperson on government and regulatory policy.
